

IGCS 2020 xDigital e-Poster Guidelines

POSTER FILE

Posters can be created using PowerPoint, Keynote, or Google slides.

A poster template is available via PowerPoint, saved online under speaker resources:

<https://igcsmeeting.com/digital-speaker-ready-room/>

File format:	PDF (.pdf)
Orientation:	Portrait, Single-Page
Dimensions in Pixel:	1080 width x 1536 height
Font size:	Minimum 13 points
Sound:	No sound supported within poster document itself; a separate audio recording file may be submitted for all posters. See below for details.
Video:	No video supported
File name:	Include name of presenter followed by the title of the abstract (e.g. John-Doe_Title-of-the-absract.pdf)
Maximum file size:	40 MB

AUDIO FILE

File format:	MP3
Duration:	Up to 3 minutes
Video:	No video supported
File name:	Include name of presenter followed by the title of the abstract (e.g. John-Doe_Title-of-the-absract.mp3)
Maximum file size:	8 MB
Note:	Visit the speaker resources webpage to download self-recording tips https://igcsmeeting.com/digital-speaker-ready-room/

Upload your e-Poster in PDF format and optional audio file in MP3 format to [shared folder](#). Password sent via email. Contact education@igcs.org for log-in issues.
