

BUILDING RESILIENT SYSTEMS TOWARDS CERVICAL CANCER ELIMINATION

A 3-Part Webinar Series

HPV Vaccination is Cancer Prevention

July 15 | 1:00 - 2:00 PM ET

Nathalia Katz
PAHO

Teresa Norris
HPV Global Action

Gilla Shapiro
University of Toronto

Cassandra (Sandy) Pingali
CDC

Noel Brewer
University of North Carolina at Chapel Hill

Carla DeSisto
CDC

The third webinar in the three-part series, Building Resilient Systems Towards Cervical Cancer Elimination, will focus on HPV vaccination. This will include discussions showcasing the regional status and approaches to reaching all young people, going beyond school-based delivery for reaching everyone and key levers for monitoring and sharing success.
